Applications are invited for admission in September 2017 to the one-year full-time Postgraduate Diploma in Education (Teaching Chinese as a Second Language) [PGDE (TCSL)] (self-funded) programme.

Programme Overview

The programme adopts inquiry-based orientation and has a full content coverage, including international curriculum design and implementation, cutting-edge second language pedagogy, and International Baccalaureate (IB) Chinese curriculum. This program aims to improve student understanding of teaching Chinese as a second language and to shape our students into becoming professional educators and leaders in this field. This programme is the only course in the Asian area thus far recognized by the International Baccalaureate Organization (IBO) for the IB Certificate in Teaching and Learning (PYP) in Teaching Chinese as a Second Language. The graduates of this programme are only proper for teaching Chinese in international schools.
