1. Applications are invited for admission in September 2017 to read for the degree of Master of Science in Environmental Management. To be eligible for admission to the programme, a candidate shall satisfy both the University Admission Requirements and the Programme Specific Requirements as listed below:

(a) shall comply with the General Regulations;
(b) shall hold a Bachelor’s degree with honours of this University or a qualification of equivalent standard from this University or another comparable institution accepted for this purpose;
(c) shall satisfy the examiners in a qualifying examination if required.
(d) for a candidate who is seeking admission on the basis of a qualification from a university or comparable institution outside Hong Kong of which the language of teaching and/or examination is not English, shall satisfy the University English language requirement applicable to high degrees as prescribed under General Regulation G2(b).

An application for exemption from the above requirements shall be considered on a case by case basis.

2. The MSc(EnvMan) is an inter-faculty multi-disciplinary coursework programme. The programme will involve part-time study for a period of two years or full-time study for one year.

3. The programme provides a comprehensive training in the field of environmental management, addressing both the major environmental problems and their social, legal and economic context.

5. A new elective course as listed below is added into the curriculum for the academic year 2017-18:

   ENV8020 Green buildings and energy management (3 credits) (Subject to approval)

6. The Regulations and Syllabuses for the above programme can also be viewed at http://www.biosch.hku.hk/envm/index.html (subject to approval).

7. The programme has just been accredited by the Institute of Environmental Management and Assessment (IEMA). Students completing specific courses of the programme are eligible to apply to be GradIEMA members.

8. Applications will be considered immediately until all places are filled. The results of the admissions exercise are expected to be announced as soon as possible but no later than late August 2017. For non-local students, they are advised to apply as early as possible
to ensure completing all entry visa requirements prior to the commencement of the programme (It may take up to 3 months to process the entry visa). Applicants, who do not receive any notification of their application results in early September, are welcome to contact School of Biological Sciences (tel no. 2299 0802; email: sklau6@hku.hk) to enquire about their results. **To facilitate the screening process, all applicants must ask at least one referee to complete the Referee Report and the Referee Report must arrive the University not later than the closing date.** The closing dates for non-local and local applications are **April 30, 2017** and **June 30, 2017** respectively.

7. Applicant who requires a student visa is recommended not to submit application after April 30, 2017, as it takes about 3 months to process the entry visa and may not meet the commencement date.
